Dear Parents, Students, and Friends of Solid Rock Academy:

It gives me great pleasure to welcome you to another year of learning.

The growth that Solid Rock Academy has achieved over the years is something to be thankful for and something to celebrate. Our students provide us a wonderful glimpse into our futures- which looks bright and hopeful.

There are many who feel that the youth of today are not of those from the past- those that demonstrated *respect, trustworthiness, character, confidence, and honesty*. However, we view youth as serviceable, expressive, and growing in responsibility. This is accomplished through a structured environment, awareness of consequences for every action (positive/negative), and accountability.

Our families also play an important role in the education of our children- in and out of the classroom. The academy will continue its effort in obtaining qualified teachers to teach students, however, assisting parents in the teaching and formation of their children remains paramount.

We invite you to participate in our PTA and Athletic Booster Club. These groups give parents an opportunity to get involved in the life of the school and in the formation of their children.

Our *Philosophy of Education* continues to permeate through the walls of the academy...**ALL CHILDREN CAN LEARN BASED UPON THEIR INDIVIDUAL ABILITY, IF GIVEN THE OPPORTUNITY!**

I am truly honored to be working in an environment that strives with a *School Motto* of **BUILDING KNOWLEDGE IN WISDOM THROUGH EXCELLENCE IN EDUCATION.**

Every member of the Solid Rock community is important. I encourage you to stay in close contact with your child's teacher(s) to help monitor the progress they are making in school, for **OUR MISSION IS TO FACILITATE OPTIMAL LEARNING FOR ALL STUDENTS.**

I look forward to working with all of you this year and watching our students grow academically and socially.

If I can be of any assistance to you, please feel free to contact me by phone or email sherry.moore@solidrockacademy.com

Sincerely,

Sherry Moore-Wright, Principal
